

The Technology Interface Journal

the Electronic Journal for Engineering Technology

I will be stepping down as the editor of the *Technology Interface Journal* after the Spring 2010 issue has been published. The Technology Interface Journal will be changing its name to the *Technology Interface International Journal* (TIIJ) and is listed as one of the three official journals of the [International Association of Journals and Conferences \(IAJC\)](#).

The new editor for the *Technology International Interface Journal* will be

Philip D. Weinsier
Bowling Green State University.
philipw@bgsu.edu

Please welcome Phil to the Technology Interface Journal. Phil will be sending out an email soon that will describe the new submission requirements and the new look for the journal.

I would like to thank all of you for your continued support of the Technology Interface since 1996. I am proud of this publication and honored to have served the Engineering Technology community these past years.

I would also like to thank my Associate editors

[Jeff Beasley, Editor](#)
[Michael Morrell, Associate Editor](#)
[Farrokh Attarzadeh, Associate Editor for student papers.](#)
[Ali Mehrabian, Associate Editor for Book and Software Reviews](#)
[Wangping Sun, Associate Editor for Global Learning](#)

for their support. They have done a tremendous job serving the journal.

My best wishes to all of you.

Thank you,

Jeff Beasley, Editor
the *Technology Interface Journal*
